# Conference On Jewish Social Studies, Inc.

1841 BROADWAY

NEW YORK 23, NEW YORK

THE CONFERENCE on Jewish Social Studies is a non-partisan association of scholars and laymen devoted to the idea that all sound policies and intelligent action in Jewish affairs must be based on the most accurate and reliable information that is obtainable and that we cannot afford to rely either on *a priori* convictions or on merely muddling through. The Conference is therefore organized to promote, by means of scientific studies and research, a better understanding of the position of the Jews in the modern world.

THESE STUDIES are directed by recognized specialists (in history, sociology, law, etc.) and their results are published in the quarterly journal, JEWISH SOCIAL STUDIES, and in separate volumes. Unpublished material is made available to all Jewish and other agencies of good will.

## I JEWISH SOCIAL STUDIES, Quarterly Journal, Volumes 1-16.

THE CONFERENCE also organizes public meetings at which current social problems are discussed by competent specialists and different points of view presented.

THE CONFERENCE is not financed by any other organization. It has been helped in recent years by Welfare Funds, but its main support comes from the contributions of its membership which is open to all who are in sympathy with its fundamental aims.

IN VIEW of the pressing problems which face Jewry today, and of the solid, if unostentatious work which it is doing towards their solution, the Conference believes that it has a special claim upon the support of an intelligent public. If, therefore, you find yourself in agreement with its general principles and program, you are cordially invited to become a member.
